Minimum order quantity 270m²

Unitile™ is a uniquely formulated homogenous tile available in 2mm and 2.5mm thicknesses. Due to its patent-pending formulation, Unitile is easy to specify due to its improved flexibility and competitive pricing. Ideal for classrooms, halls, passages, storerooms, you name it, Unitile™ can cover it.

WARRANTY

FloorworX offers a 15 year limited warranty, subject to our terms and conditions, against defective material provided that it is installed and maintained in accordance with our recommendations.

UNITILE

Unique Selling Points

- Product is Flexible
- Local manufacture – Less lead time (2/3 weeks)
- Brand reputation – in the market for over 70 years
- Low carbon footprint
- Durable – dense, smooth finish and proven performance in the market.
- Not directly dependent on ROE
- Sans approved
- 100% recyclable
- Composition 65% natural
