Accuracy of colour and wood characteristics: whilst we have made every effort to ensure the colours and wood characteristics displayed on our website are as accurate as possible, these images may vary from the actual product.

Rustic grade comes with: An unlimited number of knots (up to 50mm). Fallen knots are filled with beige/oak filler. Small hollows are acceptable. Exposed central core is allowed. Oak grain pattern is heavily exposed which will/could cause colour unevenness. This is a natural product and no two planks are the same. Knots, flaws and grain detail are inherent in the natural character of solid wood and will vary from plank to plank.
